

Chantal Gerardy

AWARD WINNING FACEBOOK STRATEGIST

About Chantal

Chantal Gerardy has a diploma in social media marketing and is an award-winning Facebook strategist who empowers business owners with the skills and strategy to grow their business using Facebook.

Facebook saved her business. She went from a broke business owner in a new country, with 3 kids under 5 yrs old, to now abundant in business using Facebook. She now empowers business owners, who have no marketing budget, to create an income-producing strategy using Facebook. Stand out, get Found, Generate and convert leads, create compelling content, Sell your products or services, Monetise your groups, Run successful events, build your profile, create influential Facebook LIVES, run online programs or network, all using Facebook. Then learn how to integrate other relevant social media platforms with an easy to follow daily schedule.

Chantal was Voted Top 100 Coolest Companies in Australia 2018, Received 2 International business awards for Out of the box marketing for startups, a Finalist in Telstra Business Awards and has been featured on Channel 9 news.

Chantal is passionate about helping business owners gain Facebook skills to succeed in their business.
